Sagittarius, a trail
you blazed by
accident is now
on somebody's
official map.
deep space will
soon loop back into
radio range.
Libra, a satellite you
thought was lost to
thought space will
cave you've been
scabbling notes in its
mapped entirely
by echo is about to
open onto daylight.
Scorpio, a
Capricorn, the
raised for someone
else's mural turns
out to be yours
to paint.

Aquarius, a revolutionary
theory you scribbled on a
napkin once is
finally
ready for a
roomier
page.

Pisces, a
stacked
deck keeps
dealing you the same
card -- it might be
time for a shuffle.

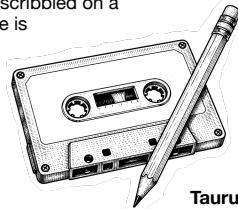

Aries, a cassette
you forgot
to rewind
holds a
song you're
about to wish
you had cued
up -- so plan
ahead.

Taurus, an orchard
you planted in
private is ready to
drop its heaviest
fruit at your feet.

Gemini, two
conversations you've
been keeping in
separate
rooms will
discover an
adjoining
door.
Cancer, a
broth
you've been
scabbling
notes in its
finally ready to
become the main
story.
Virgo, a margin
you've been
own bundle of
kindling.
