

Tiny Horoscopes

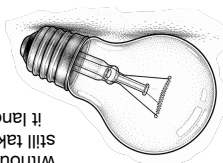

Daily fortunes and
astrological data at:

tinyhoroscopes.com

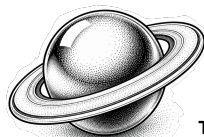

Sagittarius, a
coconut drifts a
thousand miles
without a plan and
still takes root where
it lands.

Libra, a filament
only glows because
it pushes
back on
the
current a
little.

Scorpio,
in all that
redacted paperwork,
the one line you
forgot to black out is
someone's favorite.

Aquarius, the marching
band wasn't ready for
your ocarina -- and now
it's featured in the
fight song.

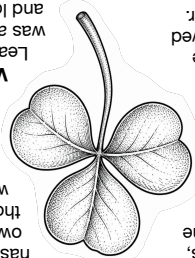

Pisces, a
stunt double
who took
everyone's falls is
finally getting a
scene with lines.

Aries, a pinball has
no plan either, and
look how many
lights it's setting
off.

Taurus, a
stalactite grows
about an inch a
century, and people still
drive for hours to stand
beneath one.

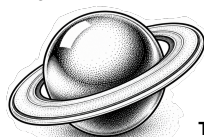

Gemini, the puppet
gets all the laughs,
but everyone in the
theater knows
who's writing
the jokes.

Leo, the disco ball
has no light of its
own -- just a
thousand small
ways to hand
it back.

Virgo, the
Leaning Tower
was a mishap, too,
and look at that
gift shop.

Aries, a pinball has
no plan either, and
look how many
lights it's setting
off.

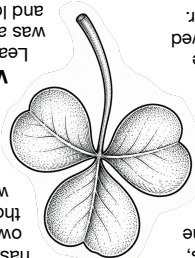

Taurus, a
stalactite grows
about an inch a
century, and people still
drive for hours to stand
beneath one.

ways to hand
it back.

Virgo, the
Leaning Tower
was a mishap, too,
and look at that
gift shop.

Cancer, once
the flock is
counted, even the
sheepdog is allowed
to roll in the clover.

Sagittarius, a
coconut drifts a
thousand miles
without a plan and
still takes root where
it lands.

Libra, a filament
only glows because
it pushes
back on
the
current a
little.
